Dear Dennis,

Thank you so much for hosting our first Utah Chapter I.E.H.A. meeting of 1999. As you can see, it was a great success. Your presentation was wonderful. We do so appreciate your efforts.

I am looking forward to working with you this year. I will be calling on you from time to time, but I promise I will not be a nuisance. ☺ Please consider becoming a member of our association. You have so much to offer and the association gives the best to its members.

Sincerely yours,

Idella Warren, President  
Utah Chapter, I.E.H.A.
