Dennis Parker, Regional Sales Manager
National Sanitary Supply
2055 W. Parkway Blvd.
West Valley City, UT 84119

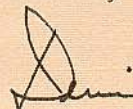

Dear Dennis,

On behalf of the Utah Health Care Association, I would like to thank you for the excellent job you did in presenting "OSHA Compliance" at our 1992 convention.

This session met our full expectations and we received many positive comments. Your expertise in the field and presentation skills were noted by participants. Comments also included requests for a repeat of this session, as well as another dealing with chemicals and labeling.

Thank you again for your participation. We look forward to working with you in the future when the opportunity presents itself.

Yours very truly,

Dennis N. McFall
Executive Vice President
