Dear Dennis,

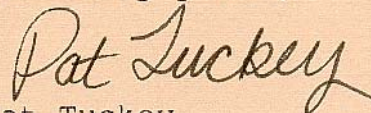

Please accept our sincere thanks for a job well done. Your presentation to our members on "Cleaning with Chemicals" was very successful. In fact, a review of the evaluation forms we received shows that the main complaint was "not enough time."

I did not enclose copies of the evaluation forms because you read through them at the convention. If you would like copies, please contact me and I will mail them to you.

We appreciate the time and effort on your part and on the parts of Al and Ken that resulted in a valuable and effective seminar.

Please keep me informed of other seminars that you are available to present. We look forward to a continuing positive working relationship with your company.

Sincerely yours,

Pat Tuckey
Executive Assistant
