Dear Mr. Parker,

Thank you for your participation in the Facility and Grounds Management Expo in July 2002. Your presentation was very well received and played an important part in helping the Expo result in a huge success. We are now delighted to extend an invitation to you to speak at this year's Facility and Grounds Management Expo, which will be held on **July 11, 2003**, at Utah Valley State College.

The Conference will begin at 9:00 a.m. with a keynote speaker. Following the keynote will be a series of workshops. We are proposing for you to present "Stress Management Through Self Hypnosis." Elements of the workshop should discuss a basic understanding of hypnosis and the "theory of the mind" applied to stress reduction through the use of trance. This is scheduled as a 2-hour workshop.

Please fill out the attached Presenter Sheet and return this information to us by **May 16, 2003**, to let us know if you are able to accept this invitation to be a presenter. If you would prefer to teach a different and/or additional workshop session, please copy, complete, and return the attached Presenter Sheet for each session.

You are invited to join us for lunch. Please mark on the attached sheet, if you can attend.

If you have any questions about the conference or other items, please call me at (801) 863-8894.

I look forward to hearing from you soon.

Sincerely,
